

# Lunch Bunch Threes

An Afternoon Preschool for 3 Yr Olds!

**Tues, Wed & Thurs**

11:30 AM - 2:30 PM

*Four payments of \$1,240*

*Lunch Bunch Threes* are ready to explore peer relationships and begin developing academic skills. This class promotes independence, following multi-step directions, letter and name recognition, counting, fine motor strength and precision. Organization skills are also introduced.

Afternoons are structured to provide children with opportunities for **both cooperative play and one-on-one “teacher time”** while reinforcing traditional school routines. Students are introduced to **concepts** through music, movement, science, art and literature. Exploration of materials and an introduction to scissors also takes place. Curb service at arrival and dismissal is included and while pull-ups are welcome, independent bathroom routines are encouraged.

Children enjoy both indoor and outdoor play, and education is focused around theme units. Pack a lunch from home and a water bottle for an afternoon program filled with fun and learning!

## *A Typical Day*
